Work Experience

Sr. Consultant & Project Manager
[MHTECHIN Technologies](#), Pune

July 2025 – Present

Achievements:

- Led **AS-IS/TO-BE process analysis**, requirement elicitation, and solution design for enterprise **HRMS** and business applications for **Yash Innovative Solutions**.
- Delivered end-to-end **Business Analysis**, stakeholder workshops, **Figma prototypes**, and functional specifications for HRMS modules, including employee lifecycle, attendance, leave, expenses, and workforce management.
- Managed **data migration, UAT, deployment readiness, and functional documentation** for in-house billing software, ensuring seamless business continuity.
- Led solution consulting, proposal development, and client presentations for **government digital transformation** projects, contributing to successful bid acquisitions.
- Designed a **Government Project Monitoring System**, defining business workflows, reporting frameworks, and project governance for infrastructure programs for **Government of Solapur**.
- Collaborated with government stakeholders and cross-functional teams to translate business requirements into scalable digital solutions and process improvements.
- Prepared **BRDs, FSDs, user stories, process flows, wireframes, test scenarios, and UAT documentation**, ensuring end-to-end requirements traceability.
- Designed and developed **Power BI Executive Dashboards** for **Government of Jalgaon** infrastructure projects, enabling real-time KPI monitoring, project tracking, and data-driven decision-making.

Sr. Business Analyst
Fristine Infotech, Pune

March 2025 – July 2025

Achievements:

- Led **requirement elicitation, gap analysis, and Salesforce-to-Zoho CRM migration** for **Wohr Parking Systems**, improving lead conversion by **30%**.
- Performed **AS-IS/TO-BE process mapping**, developed user stories and acceptance criteria, and supported SAP Cloud integration across CRM modules.
- Designed a **Zoho Creator** service portal, reducing ticket response time by **40%**, and managed **15+ change requests** during UAT.
- Delivered **solution consulting, cost-benefit analysis, automation initiatives, and executive dashboards** for Zoho CRM/Zoho Desk implementations, improving operational visibility by **35%**.
- Conducted **PAN India user training**, UAT support, and post-go-live assistance, achieving **95% user adoption**.

Consultant
KPMG India, Mumbai

May 2022 – March 2025

Achievements:

- Managed **Requirements Gathering, Project Charters, Dashboard Reports, Feasibility Studies, and UAT execution** for 47 enterprise applications at **L'Oréal India**, achieving **95% defect detection**.
- Conducted **Risk Assessment and Impact Analysis** for CRM integrations and migrations, ensuring system reliability and governance.
- Designed **Business Process Models and Requirements Traceability Matrices (RTM)** for Agile delivery at **Kirloskar Brothers Ltd**, improving efficiency by **25%**.
- Developed **Figma-based UI/UX prototypes** for **ONGC and Nayara Energy's Command Control Centre**, improving operator response by **45%**.
- Designed **Figma-based UI/UX prototypes** for **BIAL ticketing system**, improving operator response and passenger processing efficiency.
- Created **digital transformation proposals and roadmaps** for **BIAL, TATA Steel, and TATA Coal**, supporting modernization initiatives.
- Supported **Metaverse testing** with Meta Quest 2.0 to enhance virtual collaboration within **KPMG's innovation lab**.

Technical Operations Associate.
Dusane Infotech PVT LTD (Valuable Group), Mumbai.

Aug 2017 – May 2022

Achievements:
